WHERE DO YOU WANT TO INVEST YOUR SAVINGS

The Church Benefits Board can help you manage your investments when you select a Guided Portfolio or you may also create your own Independent Portfolio. If you do not indicate where to invest your savings, your assets will be placed in the plan's default fund(s). The decisions you make regarding your investments will stay in effect until you modify them via The Standard's Web site at (<http://retirement.standard.com>) or via INFOLINE (800.858.5420).

Select only one box of the Guided Portfolios below, OR select your own investments by entering whole percentages in the "Independent" column. Be sure that your selections total 100% and that the minimum any investment is 1%. This investing Form is to be used ONLY by eligible plan participants. To make changes to your current investment directive, visit (<http://retirement.standard.com>) or via INFOLINE (800.858.5420).
